***Disclosures apply to all consumer checking plans that earn interest:**

- Your interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on your account at any time.
- We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.
- Interest will be compounded and credited to your account monthly.
- If you close your account before interest is credited, you will receive the accrued interest.
