

eStatements. Enjoy the convenience of secure and eco-friendly electronic statements. With eStatements, you can choose which statements you'd like to receive electronically in place of your paper statements. Sign up using the eStatement tab within Internet Banking in your Internet browsing window.

Mobile Banking. The convenience and self-sufficiency of Internet Banking is also available on your cell phone, tablet, or other mobile device. With our free Mobile Banking solutions, you can securely access your deposit and loan accounts, view your balances and history, transfer funds, and more—anytime, anywhere.

If you have an Internet Banking account, you can enroll in any of the Mobile Banking options. Look for our App in the App Store on your device and see our Mobile FAQs for more information.

Bill Payment. With Bill Payment, you can set up one time payments or set up scheduled payments. Payments you schedule will be automatically sent, which is great if you are out of town or just don't want another thing to think about. And when you schedule a payment, you eliminate possible costly late charges. Set up payments for child care, dental and health care, credit card bills, utility bills, school lunches, rent and much more. Sign up using the Bill Payment tab within Internet Banking in your Internet browsing window.

Remote Deposit. Remote Deposit provides you with the convenience to quickly and easily deposit checks from anywhere, anytime using your mobile device from home, work or anywhere while on the go. Use Remote Deposit to deposit into your checking, savings or money market accounts via our Mobile Banking App and your camera-enabled mobile device. Remote Deposit is subject to approval. Visit jacksoncountybank.com to apply for Remote Deposit or contact us.

COMMERCIAL INTERNET BANKING ENROLLMENT FORM

Please complete this form to enroll in Jackson County Bank's Internet Banking. By enrolling you agree to the terms and conditions in the Internet Banking Agreement and Disclosures. You will need a Jackson County Bank deposit or loan account, Internet access and a browser with the proper encryption capabilities to bank online. Unless you are enrolling in person, you will be mailed your Internet Banking identification number and password instructions after your enrollment has been processed.

With Internet Banking you will have access to account information on which you have ownership, and will have the ability to transfer between properly related eligible accounts. You must be approved by the business to obtain access to Internet Banking services. Other functions of Internet Banking include:

- Transfer funds from your business checking/savings accounts to your business checking/savings accounts
- Transfer funds from your business line of credit to your business checking/savings accounts
- Make payments from your business checking/savings account to business loan accounts with us
- Set up event alerts
- View account information and balances
- View account history
- Download account information
- Initiate Stop Payments
- View check and deposit images
- View statement information
- Initiate check or electronic payments (subject to your agreement to Bill Pay Terms and Conditions and approval by the Bank)
