

When Will Your Stimulus Check Arrive?

Find Out When Your Check Is Deposited at JCB

The government recently approved another round of stimulus checks that are set to be deposited to qualifying accounts starting in a few days. Want to know when your payment is received? Here are a few tips:

- Log into your JCB internet banking to set an alert on your account to be notified by text, email or a message in your JCB mobile app if you receive a direct deposit credit over a certain dollar amount. This is the best and easiest way to be notified exactly when your direct deposit is received.
- Direct deposit of stimulus payments will be posted by 9:15 am each day.
- Check the status of your payment at the IRS website at <https://www.irs.gov/coronavirus/get-my-payment>.
