You may be eligible to enroll in Mobile Banking using your Mobile Device if:

- You have previously logged in to Internet Banking successfully.
- You have an Internet Banking account in active status.
- You are not in the middle of a password reset.
- You are not being required to agree to a revised Internet Banking Agreement and Disclosure.
- Your security questions are not being recollected.

Download our App to your Mobile Device to Enroll

Step 1: Search for the Jackson County Bank Mobile App in your Apple or Android store, download and install the App. Open the App and log in with your Internet Banking ID and Password.

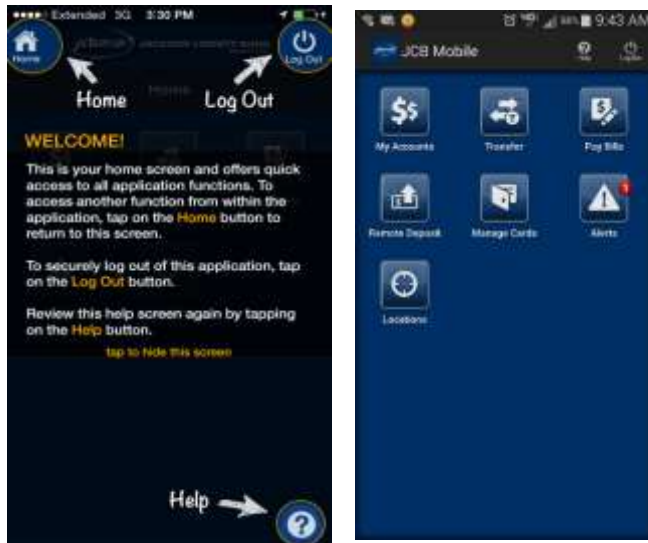

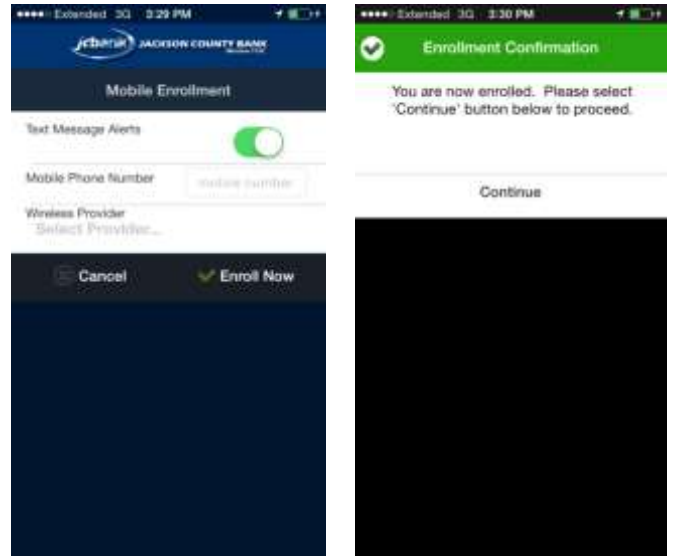

Step2: Read and accept the terms and conditions by clicking **I Agree**.

Click **Continue**.

Step 3: Complete the fields and click **Enroll**.

- Choose whether to receive enrollment, transfer and payment confirmations via text message.
- Enter your mobile device number for text confirmations.
- Select your wireless provider for the phone number.

Step 4: After a successful enrollment, you may receive a screen with some quick directions, and will then be directed to the Home screen. *(Depending on your enrolled services not all options pictured may be available.)*

Use the Mobile Device to Enroll on our Mobile Site
